1. Redressal of complaints through Call Center

Procedure

Customer may call Digicable on the Toll Free Numbers to lodge complaint with the call center. Our associates are trained to answer customer queries in 3 languages. On receiving the Customer call, our Call Center will register the Customer`s complaint and issue a Ticket Number to the Customer.

Benchmarks

At least ninety per cent of complaint`s concerning non-receipt of all signals by the Customer save and except due to disturbances of weather or natural calamities, will be redressed and we will restore the signals within a period of twenty-four hours of the receipt of complaint.

We will redress at least ninety per cent of the complaints (other than non receipt of signals) by Customer, within a period of forty-eight hours of the receipt of complaint.

Provided complaints from Customer coming from remote or hilly tracts or hilly areas or distant rural areas or disturbances due to weather may be redressed as early as may be feasible.

All other complaints shall be addressed as early as possible.

2. Details of Nodal Officers

Digicable has nominated Nodal officers for redressal of grievances of those Customers who are not satisfied with the redressal at the Call Center level. Such Customer can contact the concerned Nodal Officer citing the Ticket number issued by the Call Center.
